

S1 86 426 Chrysler Hemi/440 Wedge
3 gear pump front mount body
Requires 426 Block Adapter

Mount Configurations
All AVIAID Mounts are
integral to pump. No
adapters are required.
Separators are .16" or
.25" wide. Mount drawings
are full size. "Xxx" indicates
hex size in 1/16ths. "xXxx"
indicates separator width (1
= .16", 2 = .25", 5 = .50").
"xxXX" indicates Mount #.
